About the Author

Ernst Wilhelm earned a degree in Naturopathy at the age of twenty-one. After practicing in that field for one year, particularly Iridology and nutritional counseling, he quit due to believing that physical well-being was secondary to mental, emotional and spiritual well-being, and instead turned his attention towards astrology. Since then he has made an extensive study of the classical texts from India as well as having studied many texts by Western Astrologers. After many years of study he has come to believe that, for those of intellectual bent, the best use of astrology is the study of astrology. The study of astrology, the Eyes of the Vedas, can assist a person in learning to see that everything is an aspect of God, and to live a life of detachment, duty and happiness. So while maintaining a private practice, his greatest inspiration is the teaching of astrology for which he has founded Jyotish Academy International, teaching Vedic Astrology worldwide through classes as well as correspondence courses. He is an American Council of Vedic Astrology certified teacher, and the author of Vault of the Heavens, Core Yogas, and Tarot- Bringing Us Closer to the Truth. His current writing projects include the literal translation and commentary on an important Sanskrit astrology text- Upadesa Sutras, and a book on relationship compatibility. He is also developing, Kāla- Vedic Astrology Software in partnership with his wife, Srishti.
