This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1911 edition. Excerpt: ...roses, It will be profitable to ascertain the average cost of doing business in our line--also the average profit, Many of us fail t_o take irito consideration theicost of special labels to suit the different territories, evaporation, spilling, breakage, and the thousand and one little leaks which nibble away our profit. _A s stem of posting profits in your ledgers along with t e accounts would often sound a note of alarm before it was too late. If you would do this, I venture to say you would find that some accounts which vou thought were profitable were actually showing yoiï a loss. Thousands of gross of 5c. pure extracts are sold at a gross profit of from 10 to '-.3"c. zi gross. If you would figure your selling cost, and the other costs attendant upon doing business, you would find that every sale of these shows you a considerable loss of actual cash. Some of the muck-raking magazines, periodicals, and other publications take great delight in blazoning broadcast the supposed attempts of food manufacturers to market adulterated goods, and the slightest error is dwelt itpon with unholy glee, as though the manufacturer were trying to poison the entire public. Our manufacturers are turning out millions of dollars' worth of the highest possible class goods, under the most srinitriry conditions, and they give work to hundreds of thousands. but these same inzirzaziïies never mention this side. That would be an zidvertisenicnt, and to get that a manufacturer is comp(.ll'l to pay from \$3 to SS per line. 'ell did Shakespeare say: "'ho sit-ails my purse, steals nothing; 'Twas mine, 'ti; his, and has been slave to thousands Rut he that. filches from me my good name Robs me of that which not enriches him and makes...

Editorial Review

Users Review

From reader reviews:

Hoyt Adkins:

In this 21st one hundred year, people become competitive in most way. By being competitive currently, people have do something to make these individuals survives, being in the middle of the particular crowded place and notice by simply surrounding. One thing that at times many people have underestimated the idea for a while is reading. Yep, by reading a e-book your ability to survive enhance then having chance to stand up than other is high. In your case who want to start reading any book, we give you this particular Coffee and Tea Industries and the Flavor Field Volume 34 book as beginner and daily reading reserve. Why, because this book is usually more than just a book.

Donna Feuerstein:

Hey guys, do you wants to finds a new book to see? May be the book with the subject Coffee and Tea Industries and the Flavor Field Volume 34 suitable to you? Typically the book was written by renowned writer in this era. The particular book untitled Coffee and Tea Industries and the Flavor Field Volume 34is the one of several books that will everyone read now. This book was inspired a lot of people in the world. When you read this e-book you will enter the new shape that you ever know before. The author explained their idea in the simple way, thus all of people can easily to recognise the core of this reserve. This book will give you a lots of information about this world now. So you can see the represented of the world in this particular book.

Herbert Knight:

Playing with family in the park, coming to see the marine world or hanging out with buddies is thing that usually you may have done when you have spare time, then why you don't try issue that really opposite from that. One activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you already been ride on and with addition details. Even you love Coffee and Tea Industries and the Flavor Field Volume 34, you are able to enjoy both. It is excellent combination right, you still would like to miss it? What kind of hangout type is it? Oh can happen its mind hangout men. What? Still don't understand it, oh come on its referred to as reading friends.

William Marsh:

As a pupil exactly feel bored to help reading. If their teacher questioned them to go to the library as well as to make summary for some reserve, they are complained. Just minor students that has reading's heart or real

their leisure activity. They just do what the instructor want, like asked to the library. They go to at this time there but nothing reading critically. Any students feel that reading is not important, boring along with can't see colorful images on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore this Coffee and Tea Industries and the Flavor Field Volume 34 can make you sense more interested to read.
