## Deceived on Purpose: The New Age Implications of the Purpose-Driven Church By Warren B. Smith

Christian author Warren Smith's book *Deceived on Purpose* warns about the serious implications of Pastor Rick Warren's book, *The Purpose Driven Life*. Smith takes the reader into the inner working of today's evangelical world as he explains the questionable interconnections of Christian and New Age leaders, and the possibility of Rick Warren's Peace Plan merging with the New Age Peace Plan. Smith contends that New Age sympathizer Robert Schuller has had a great influence on Rick Warren's teachings and that Schuller's influence can be found in Rick Warren's book, *The Purpose Driven Life*. Smith was a former New Age follower and he draws from his knowledge of the New Age subculture that is being subtly weaved into the Christian culture.

### **Editorial Review**

#### **From the Publisher**

The testimony of a former New Ager and how he sees a connection between Purpose-Driven Life and the New Age! It is clear that Robert Schuller is tied in with New Age leaders and philosophies - now the question is, is Rick Warren connected to Robert Schuller? We believe he is, and that puts the majority of the Christian church at risk!

#### **From the Author**

I was not that surprised that Robert Schuller would use a New Age leader to make a sermon point about hope. But Rick Warren? Bernie Siegel's New Age hope is a false hope and no hope at all. Was it Schuller's obvious high regard for Bernie Siegel, and Rick Warren's high regard for Robert Schuller that prompted Rick Warren to make this reference to Siegel in The Purpose Driven Life.
