Manson's Tropical Diseases: Expert Consult Basic, 22e By Gordon C. Cook MD DSc FRCP(Lond) FRCP(Edin) FRACP FLS, Alimuddin Zumla BSc.MBChB.MSc.PhD.FRCP(Lond).FRCP(Edin).FRCPPath(UK)

From the difficult to diagnose to the difficult to treat, be prepared for whatever your patients bring back. The revised and updated 22nd edition of Manson's Tropical Diseases provides you with the latest coverage on emerging and re-emerging diseases from around the world, such as multi-drug-resistant tuberculosis and malaria, the avian flu, and more. Boxes and tables highlight key information on current therapies. And now, as an Expert Consult title, you can access the information you need online as well as in print!

- Covers every aspect of Tropical Medicine in detail, not just infections.
- Takes both a system-based and a disease approach, with extensive cross-referencing to minimize duplication.
- Includes a strong clinical focus, emphasized by clinical management diagrams.
- Features leading experts in the field, with contributions from clinicians who are based full-time in the tropics.
- Features up-to-date information on HIV/AIDS, with an emphasis on Africa; malaria; tropical gastroenterological problems; dengue and dengue hemorrhagic fever; tuberculosis; Sexually Transmitted Diseases; SARS; avian flu; bartonellosis, cat-scratch disease, trench fever, human ehrlichiosis; and more.
- Describes the latest therapies, such as recently approved drugs and new treatment options, so you can incorporate them into to your practice.
- Presents global perspectives from the world's leaders in this specialty to put the latest expert knowledge to work for you and your patients.
- Highlights key information with more boxes and tables so you can find what you need easily and apply it quickly.
- Allows you to access the complete contents online, plus appendices on Laboratory Diagnosis, Parasitic Protozoa, Medical Helminthology, Nematodes, Trematodes, Cestodes, Medical Acarology and Entomology, and Sources of Information in Tropical Medicine.

Your purchase entitles you to access the website until the next edition is published, or until the current edition is no longer offered for sale by Elsevier, whichever occurs first. If the next edition is published less than one year after your purchase, you will be entitled to online access for one year from your date of purchase. Elsevier reserves the right to offer a suitable replacement product (such as a downloadable or CD-ROM-based electronic version) should online access be discontinued.

Editorial Review

Review

"...an excellent book on all aspects of tropical medicine...including traditional medicine, environmental disorders, psychiatry, and oral health, as well as infections. The system-based and disease-based approach is cross referenced well and is particularly effective in the online version of the book...It is very clinically oriented and should be a great resource for practitioners or students of this subject." – **Doody's 3 stars *****

"This is an iconic book that has survived for over a century...Attractive, compact as it can be and more colourful than before. The malaria chapter of over 100 pages is a classic – on its own worth purchasing the book – no other tropical book can match this one." **BMA Book Awards 2009 - judges comments**

"The description of Manson's as a travel medicine text is fitting. For those wishing to have an encyclopedic but yet practical reference on disease in and out of the tropics, Manson's should prove to be a good purchase." **Travel Medicine and Infectious Disease, March 2009**

Users Review

From reader reviews:

Stephanie Carlton:

Reading a publication tends to be new life style in this era globalization. With reading you can get a lot of information that may give you benefit in your life. Together with book everyone in this world could share their idea. Ebooks can also inspire a lot of people. Lots of author can inspire their particular reader with their story or their experience. Not only the storyplot that share in the guides. But also they write about the information about something that you need example. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that exist now. The authors on this planet always try to improve their ability in writing, they also doing some analysis before they write for their book. One of them is this Manson's Tropical Diseases: Expert Consult Basic, 22e.

Donald Hidalgo:

Playing with family inside a park, coming to see the marine world or hanging out with good friends is thing that usually you may have done when you have spare time, subsequently why you don't try thing that really opposite from that. One activity that make you not experience tired but still relaxing, trilling like on roller coaster you have been ride on and with addition associated with. Even you love Manson's Tropical Diseases: Expert Consult Basic, 22e, it is possible to enjoy both. It is excellent combination right, you still would like to miss it? What kind of hangout type is it? Oh can occur its mind hangout men. What? Still don't obtain it, oh come on its identified as reading friends.

Tyler Smith:

Your reading 6th sense will not betray an individual, why because this Manson's Tropical Diseases: Expert Consult Basic, 22e guide written by well-known writer we are excited for well how to make book which can be understand by anyone who all read the book. Written inside good manner for you, dripping every ideas and composing skill only for eliminate your hunger then you still hesitation Manson's Tropical Diseases: Expert Consult Basic, 22e as good book not simply by the cover but also from the content. This is one e-book that can break don't judge book by its cover, so do you still needing an additional sixth sense to pick this particular!? Oh come on your studying sixth sense already said so why you have to listening to yet another sixth sense.

Donna Feuerstein:

In this particular era which is the greater man or who has ability in doing something more are more important than other. Do you want to become one among it? It is just simple way to have that. What you need to do is just spending your time almost no but quite enough to have a look at some books. One of the books in the top checklist in your reading list is actually Manson's Tropical Diseases: Expert Consult Basic, 22e. This book which can be qualified as The Hungry Hills can get you closer in turning out to be precious person. By looking upward and review this e-book you can get many advantages.
