## **Editorial Review**

From Publishers Weekly

An author admired for realistic novels, Winthrop presents an absorbing fantasy about William Lawrence, 10. When Mrs. Phillips prepares to return to her native England, William grieves. She has taken care of him through the years while his parents have been away at work. Mrs. Phillips's parting gift to the boy is a medieval castle, authentically complete, but with only one small figure, a knight. Picking up the knight, William is thrilled when it comes to life. The knight tells of the times when a wizard had spellbound all the king's subjects and usurped the throne. But William is more interested in the tiny man's magic amulet and he uses it to shrink Mrs. Phillips, to keep her in the castle. Then his conscience insists that he miniaturize himself and join the two in the fight to undo the wizard and restore the kingdom. Suspense and colorful details, as well as a gentle moral percept, make the story special.

From School Library Journal

Grade 4-6 A satisfying quest fantasy with a strong element of modern realism which will appeal to a wide range of readers. Ten-year-old William is so distraught at the idea of his beloved housekeeper/nanny Mrs. Phillips returning to England that, with the aid of a magic token, he shrinks her into the size of the toy knight which inhabits a wooden castle that has been passed down in her family for generations. To undo his rash deed, William must be miniaturized himself and accompany the silver knight, Sir Simon, on a quest to overthrow Alastor, a wicked magician who long ago usurped the throne of what should have been Sir Simon's kingdom. William's pure and gentle heart enables him to triumph over both the magician and his own childish yearning to possess Mrs. Phillips. The plot is carefully constructed. William's real-life situation is a strong component of the story rather than a device whereby he can enter the fantasy world. His too-busy parents and his struggle to be mature enough to let Mrs. Phillips go are juxtaposed with his quest and struggle to defeat Alastor. Both William and Mrs. Phillips are sympathetic, well-developed characters. In contrast, William's pediatrician mother and architect father are sketchy, both in William's emotional life and in the author's realization of them. Adults may find the theme that a pure heart can triumph over evil is a bit overstated, and fantasy buffs may desire a more fully developed fantasy world, but for young readers new to fantasy this will be successful. Louise L. Sherman, Anna C. Scott School, Leonia, N.J.

"An absorbing fantasy...suspense and colorful details, as well as a gentle moral precept, make the story special." --Publishers Weekly

## **Users Review**

**From reader reviews:**

**Robin Boucher:**

Information is provisions for people to get better life, information presently can get by anyone at everywhere. The information can be a expertise or any news even restricted. What people must be consider while those information which is in the former life are challenging be find than now could be taking seriously which one works to believe or which one the resource are convinced. If you obtain the unstable resource then you understand it as your main information there will be huge disadvantage for you. All those

possibilities will not happen in you if you take The Castle in the Attic as the daily resource information.

**Kelley Thornton:**

Exactly why? Because this The Castle in the Attic is an unordinary book that the inside of the guide waiting for you to snap the idea but latter it will distress you with the secret it inside. Reading this book alongside it was fantastic author who all write the book in such awesome way makes the content within easier to understand, entertaining technique but still convey the meaning completely. So , it is good for you for not hesitating having this any longer or you going to regret it. This phenomenal book will give you a lot of benefits than the other book have such as help improving your talent and your critical thinking technique. So , still want to hold off having that book? If I were you I will go to the book store hurriedly.

**Carrie Wilson:**

This The Castle in the Attic is great e-book for you because the content that is certainly full of information for you who all always deal with world and get to make decision every minute. This kind of book reveal it details accurately using great coordinate word or we can point out no rambling sentences included. So if you are read the idea hurriedly you can have whole details in it. Doesn't mean it only offers you straight forward sentences but hard core information with beautiful delivering sentences. Having The Castle in the Attic in your hand like having the world in your arm, info in it is not ridiculous 1. We can say that no book that offer you world in ten or fifteen moment right but this guide already do that. So , it is good reading book. Hi Mr. and Mrs. occupied do you still doubt that?

**Micheal Ruiz:**

Do you like reading a e-book? Confuse to looking for your preferred book? Or your book has been rare? Why so many question for the book? But virtually any people feel that they enjoy regarding reading. Some people likes looking at, not only science book but novel and The Castle in the Attic or maybe others sources were given information for you. After you know how the good a book, you feel need to read more and more. Science book was created for teacher or even students especially. Those textbooks are helping them to add their knowledge. In different case, beside science e-book, any other book likes The Castle in the Attic to make your spare time much more colorful. Many types of book like this.
