**The Pack Rules: Boxed Set: (Shifter Paranormal Romance Collection) By Michele Bardsley**

From New York Times and USA Today Bestselling Author Michele Bardsley...  
**THE PACK RULES: BOXED SET**

This Shifter Paranormal Romance Collection includes Shadow Pack Alpha, Her Alpha Lovers, Her Werewolf Bodyguard, Her Billionaire Alpha, Her Billionaire Beta, Captured by the Werewolf, and Bear Witness

### SHADOW PACK ALPHA

Like most werewolf packs, the Shadows need human females for mating and breeding so they can replenish their werewolf bloodlines. Arabelle Winton considers the entire process somewhat barbaric, but as the oldest female in her family, she must take her place among the other women. What she doesn't expect is to catch the interest of Alpha Greyson Burke. Yes, Grey can have her body any way he wants... but Belle will never give her heart to a werewolf.

### HER ALPHA LOVERS

Jack Harrison and Grantham Wells are co-alphas of the Earth Pack, and they're on the hunt for a suitable female mate. Curvaceous Roxi Calabrese is werewolf without a pack. On purpose. The threesome's attraction is darn near combustible. But after the bed sheets are shredded and the furniture broken, one question remains: Can two Earth Pack alphas convince a feisty Blood Pack female to be their mate, in both body and soul?

### HER WEREWOLF BODYGUARD

Stephanie Draper is on the run from an abusive husband--a terrifying breed of shifter. Nolan Wright is a Moon Pack werewolf and a cop with the Tulsa PD. He can sniff out a damsel in distress from five miles away ... and it doesn't take him long to find the beautiful and haunted Stephanie. It feels like Stephanie may finally be able to piece together her shattered life ... until her monstrous husband returns for his final revenge...

### HER BILLIONAIRE ALPHA

Kade Stonewell, new alpha of the Moon Pack, is facing an ultimatum: Choose his mate now--or let pack vote choose for him. Since there's only one eligible female within the pack, an insipid spoiled princess more concerned about spa

treatments than pack rules, Kade takes bold action. He makes a mating offer to Lilly Addison, the human widow of the pack's most respected beta, a plus-sized beauty who's been his secret crush since college. He'll prove to Lilly that he's a true alpha--one who will passionately conquer every sexy curve of her body. Then he will accomplish the most difficult task of all: Capturing her heart.

#### HER BILLIONAIRE BETA

Moon Pack Beta Matthew Canton, who co-owns Techno Inc. with his best friend (and the recently mated Moon Pack alpha), receives a can't-miss opportunity: a chance to woo the beautifully curvaceous Kammie Desmond. He knows Kammie is avoiding him, relationships, and men. But that doesn't mean he'll give up on the only woman he's ever truly wanted. And if he has to become a werewolf pirate and seduce his lady ...well, that's exactly what Matt will do. Ahoy, love!

#### CAPTURED BY THE WEREWOLF

Bo Brown is a Winter Pack werewolf who's finally tracked down his missing sisters and mother to Wellsford, Oregon. Avalina Shepard is a librarian and cat lover. Born and raised in the teeny tiny town of Wellsford, Ava loves darn near everything about small-town life—especially the lack of real crime. So she's utterly shocked when she's carjacked by a complete stranger. Bo needs Ava's help. All he has to do is convince the beautiful, feisty human to help him save his family—before they become the prize trophies in a nefarious shifter hunt.

#### BEAR WITNESS

After Gretchen Myers rescues her murdered stepsister's baby, she's nearly killed in a not-so-accidental car crash. When she wakes up in a Las Vegas hospital, she's alone ... until Rafe Pearson shows up. Not only does he have the baby, but he also manages to rescue her from yet another attempt on her life. Rafe is approximately the size of a linebacker with the looks of a GQ model. Yet, Gretchen has never seen a man so lonely. And he's never met a woman so stubborn. But while she and the baby are in danger, there's no way the former cop will let them out of his sight.

### **Editorial Review**

### **Users Review**

#### **From reader reviews:**

##### **Christopher Olsen:**

Do you have favorite book? In case you have, what is your favorite's book? Publication is very important thing for us to understand everything in the world. Each e-book has different aim as well as goal; it means that reserve has different type. Some people experience enjoy to spend their time for you to read a book. These are reading whatever they take because their hobby is reading a book. Consider the person who don't like examining a book? Sometime, individual feel need book once they found difficult problem or exercise. Well, probably you'll have this The Pack Rules: Boxed Set: (Shifter Paranormal Romance Collection).

##### **Sharon Self:**

Reading a guide tends to be new life style in this era globalization. With looking at you can get a lot of information that will give you benefit in your life. Using book everyone in this world could share their idea. Textbooks can also inspire a lot of people. Plenty of author can inspire their particular reader with their story as well as their experience. Not only situation that share in the guides. But also they write about advantage about something that you need instance. How to get the good score toefl, or how to teach your children, there are many kinds of book that exist now. The authors these days always try to improve their expertise in writing, they also doing some study before they write on their book. One of them is this The Pack Rules: Boxed Set: (Shifter Paranormal Romance Collection).

##### **Jerome Chisolm:**

Your reading sixth sense will not betray you actually, why because this The Pack Rules: Boxed Set: (Shifter Paranormal Romance Collection) guide written by well-known writer whose to say well how to make book that could be understand by anyone who also read the book. Written in good manner for you, leaking every ideas and creating skill only for eliminate your personal hunger then you still hesitation The Pack Rules: Boxed Set: (Shifter Paranormal Romance Collection) as good book not merely by the cover but also through the content. This is one publication that can break don't evaluate book by its cover, so do you still needing one more sixth sense to pick this kind of!? Oh come on your studying sixth sense already alerted you so why you have to listening to another sixth sense.

##### **Jeffrey Blough:**

This The Pack Rules: Boxed Set: (Shifter Paranormal Romance Collection) is great publication for you because the content and that is full of information for you who always deal with world and still have to make

decision every minute. This kind of book reveal it data accurately using great coordinate word or we can declare no rambling sentences included. So if you are read the item hurriedly you can have whole information in it. Doesn't mean it only will give you straight forward sentences but hard core information with beautiful delivering sentences. Having The Pack Rules: Boxed Set: (Shifter Paranormal Romance Collection) in your hand like obtaining the world in your arm, information in it is not ridiculous just one. We can say that no guide that offer you world throughout ten or fifteen minute right but this reserve already do that. So , this really is good reading book. Hello Mr. and Mrs. busy do you still doubt that?
