## **The Sheik's Intimate Proposition** By Elizabeth Lennox

Sabrina's life is hard work. When she's not performing her myriad duties as The Gregorio Hotel's youngest Assistant Manager, she's working on her law degree at Georgetown University. There's little time (or money) for leisure, but that's okay with her. Sabrina is driven to succeed despite her disadvantaged upbringing. When a new VIP checks in to the hotel's ridiculously extravagant and expensive penthouse suite and the manager is out, the task of his personal welcome falls to her. What should have been a simple meet and greet takes an unexpected turn towards something much more personal! Equally unexpected is the reaction she feels deep down for this tall, dark, and handsome stranger. How can she avoid offending this important guest, earning the ire of her boss, and still not compromise herself personally?

For Sheik Samir, official management welcomes are yet another tedious and perfunctory activity. Of course the manager will provide anything he requires - what else? But the petite blond beauty that approaches him is anything but expected. He is intrigued as much by her appearance as her straightforward manner - with none of the deference that he is used to from those that serve him. Samir's interest only increases as Sabrina attempts to politely refuse him. He is certain that she underestimates both his will and his resolve!
