They guided you through pregnancy, they guided you through baby's first year, and now they'll guide you through the toddler years. In a direct continuation of *What to Expect When You're Expecting* (over 9.6 million copies in print) and *What to Expect the First Year* (over 5.6 million copies in print), America's bestselling pregnancy and childcare authors turn their uniquely comprehensive, lively, and reassuring coverage to years two and three.

Organized month by month for the second year (months 12-24) and quarterly through the third year (months 24-36), *What to Expect the Toddler Years, 2nd edition* covers each growth and development phase parents are likely to encounter-when they're likely to encounter it. Hundreds of questions and answers treat everything from eating and sleeping problems to day care, tantrums, bottle mouth, shyness, self-esteem, and more. An entire third section of the book is devoted to toilet training, safety, and health, and a fourth covers special concerns-the exceptional child, siblings, and balancing work and parenting.

Remarkably thorough, caring and intelligent, *What to Expect the Toddler Years, 2nd edition* is as valuable for the seasoned parent as it is for the new parent.
