Where Little Flower Got Her Power: A Little Flower Novelette (Children of The World Storybook and Educational Series) By Florita Bell Griffin PhD

In the opening chapter of Where Little Flower Got Her Power, Little Flower finds herself in BIG TROUBLE. Soli, Little Flower's new friend is bullied at school because of her physical disability. Little Flower stands up for Soli, but the adults don't approve of the way she does it. This book paints pictures with words while telling the story of what led up to Little Flower's decision to stand up for her friend, and how she turns her trouble into something good. Where Little Flower Got Her Power, the first of three Little Flower Novelettes, is available in dual translation Spanish, French, Portuguese and Mandarin Chinese, and is included in the Children of The World Story Book and Educational Series. The series is part of Florita Bell Griffin's Little Flower® International Cultural Art Project, which uses storytelling and components of artistic media as a stimulus for developing literacy and performance skills, while fostering self-esteem, confidence, vision, diversity, and imagination in children from around the world.

Editorial Review

About the Author

Dr. Florita Bell Griffin is the Creative Director and Author at ARC Communications, LLC, of Texas. She is also the author of "The Little Flower Vignettes – Story Behind The Story and producer of Florita Bell Griffin's Little Flower® International Cultural Art Project, also known as the Little Flower Literacy Project. The Vignettes book shares the non-fictional back-story that inspired the Little Flower Project. The Little Flower® Children's Education and Entertainment Brand is a Registered Trademark of ARC Communications, LLC. A native North Carolinian, Dr. Griffin grew up in Wadesboro, and graduated from Bowman Sr. High School. She holds a Bachelor of Arts degree in Communications/Broadcasting and Cinema from the University of North Carolina at Greensboro, a Master of Urban Planning, and a Doctorate of Philosophy in Urban and Regional Science from Texas A&M University. As an Urban Planner and Urban and Regional Scientist, Dr. Griffin is concerned with analytical approaches to problems that are specifically urban, rural and regional in nature. Functional illiteracy in youth, and its link to the economic stability of communities is an urban, rural and regional problem that deeply concerns her. She believes that improving literacy is the way forward for communities who want to boost their local economy, and that investing in creative literacy vehicles today is necessary for building a solid and secure future tomorrow. Florita Bell Griffin's Little Flower International Cultural Art Project uses storytelling and components of artistic media as a stimulus for developing literacy and performance skills, while fostering self-esteem, confidence, vision, diversity, and imagination in children from around the world. Artistic Media included in the project's ventures include: paint, sculpture, film, literature, performing arts, photography, music, video games and Transmedia storytelling. Dr. Griffin is the co-host of the Little Flower Literacy and Economics Radio Show, an affiliate of Marketing Pulpit International, Washington DC, which airs each Thursday morning via Blogtalkradio. A member of The Church Without Walls in Houston Texas, Dr. Griffin serves as the Angel Tree Ministry Christian Education Coordinator. Her spiritual gift is encouragement.
