"The fast-paced, action-packed and complex love story between Ric and Elora is one that will draw you in from page one and keep you hooked until the very last page." ~ Eternal Book Reviews ★★★★

**Elora can talk to the dead, but she's a beacon for the undead.**

Born of the two most powerful immortals but raised as a human, she's not aware of her own powers until a mysterious newcomer triggers them with one stupid mistake.

While Elora is coming to terms with this new supernatural world, she must contend with pushy ghosts that need help crossing over, and a dark entity that wants her dead.

Can this occult community help her figure out what's hunting her and find a way

to fight it, or will the limits of her so-called immortality be tested when it catches her alone?

**BOUND is the first of two novels in this spunky New Adult paranormal series, where blood lust and sex are not taboo, and love triangles have been banned. Best read after the Dark Secrets series, but reads well as a separate series.**

\*\*Perfect for fans of Vampire Diaries, Reign, and The Sookie Stackhouse Novels\*\*

Would you like to try Dark Secrets first, because you'll be an insider then to so many things that happen?
