**Healing is Voltage: The Handbook, 3rd Edition** By Jerry L. Tennant

Every cell in the body is designed to run at -20 to -25 millivolts. To heal, we must make new cells. To make a new cell requires -50 millivolts. Chronic disease occurs when voltage drops below -20 and/or you cannot achieve -50 millivolts to make new cells. Thus chronic disease is always defined by having low voltage. This book tells you how to measure your voltage in each organ, how to correct it, and how to determine why your voltage dropped enough to allow you to get sick.

## Users Review

### From reader reviews:

**Helen Perez:**

What do you consider book? It is just for students because they're still students or the idea for all people in the world, exactly what the best subject for that? Simply you can be answered for that query above. Every person has various personality and hobby for every single other. Don't to be obligated someone or something that they don't desire do that. You must know how great and also important the book Healing is Voltage: The Handbook, 3rd Edition. All type of book is it possible to see on many resources. You can look for the internet solutions or other social media.

**Donna Bledsoe:**

Spent a free time for you to be fun activity to perform! A lot of people spent their down time with their family, or their very own friends. Usually they undertaking activity like watching television, about to beach, or picnic from the park. They actually doing same every week. Do you feel it? Would you like to something different to fill your own free time/ holiday? Could possibly be reading a book might be option to fill your no cost time/ holiday. The first thing that you will ask may be what kinds of book that you should read. If you want to test look for book, may be the reserve untitled Healing is Voltage: The Handbook, 3rd Edition can be excellent book to read. May be it could be best activity to you.

**Arthur McLaurin:**

The reason why? Because this Healing is Voltage: The Handbook, 3rd Edition is an unordinary book that the inside of the book waiting for you to snap the idea but latter it will jolt you with the secret it inside. Reading this book next to it was fantastic author who also write the book in such remarkable way makes the content inside easier to understand, entertaining way but still convey the meaning thoroughly. So , it is good for you because of not hesitating having this any longer or you going to regret it. This phenomenal book will give you a lot of advantages than the other book get such as help improving your skill and your critical thinking way. So , still want to hold off having that book? If I have been you I will go to the publication store hurriedly.

**Steven Allen:**

You are able to spend your free time you just read this book this book. This Healing is Voltage: The Handbook, 3rd Edition is simple to develop you can read it in the park, in the beach, train along with soon. If you did not have got much space to bring the printed book, you can buy the particular e-book. It is make you much easier to read it. You can save often the book in your smart phone. So there are a lot of benefits that you will get when you buy this book.
