**Ladybug Picture Book For Kids To Learn Fun Facts About Ladybugs (The Nature's Amazing Series 1) By Jan Marie Mueller**

## Discover the Ladybug's World

*...as told first-hand from a ladybug's point of view!*

Children's author Jan Marie Mueller presents the first volume of her **Nature's Amazing!** Series: *Ladybugs: A Picture Book For Kids To Learn Fun Facts About Ladybugs.*

This educational children's book uses lots of stunningly colorful photographs along with carefully chosen words to capture your child's interest and teach him or her all about ladybugs and what makes them special.

Told by a little ladybug herself, this fun look at a ladybug's world is sure to fascinate and engage your child, from start to finish.

**Your child will learn interesting facts and information about**

- The ladybug's life-cycle
- Where the ladybug lives
- What the ladybug looks like
- How the ladybug protects herself from enemies
- as well as some of the folklore and myths surrounding this popular beetle.

**??? As a firm believer in the importance of early education, Jan wrote this book to help children read and learn about the amazing world of nature, right outside their own backdoor.**

**Note:** Though this **Nature's Amazing!** book has been written for children aged 7 and up (who can read it themselves), as a parent, you may choose to share this book with your child by reading and discussing it together. And with all the lovely images, this book is also fun for younger children to look through and

explore.

**SPECIAL PRICING:** This book is exclusive to the Amazon store and currently set at a low promotional price. It only takes seconds to download, so your child can get started reading and learning, in no time at all.

**??? You and your child will love this book and the "up close" look at nature it provides!**

### Editorial Review

#### Review

- *"What a cute, cute book. It has beautiful, colorful pictures of everybody's favorite "bug" and is especially unique since it is written from the ladybug's POV. This book would be a delight for any young child. Heck, it was a delight for me! The author has gone out of her way to make the information fun, yet educational. Very refreshing approach. I highly recommend!" ~ Kelly K.*
- *"The story was written from the personal point of view of the little ladybug, which drew me in and help me feel a personal attachment to these tiny creatures. The photos were awesome and appropriate. PLUS the author shared some legends and myths about these insects and even some poetry." ~ Bill McBride*
- *"Delightful fun facts told by a ladybug herself! You can tell the author has worked with children for 20 years because the writing is so creative and many layered with poems, stories and myths. The pictures are exquisite and artfully displayed. A joy of a book!" ~ Saramuse*
