Letters From The Looney Bin By Thatcher C Nalley

LETTERS FROM THE LOONEY BIN is a #1 Amazon Bestseller! In the late 1970s the Emerson Rose Asylum became completely abandoned - all the patients, doctors, staff, vanished and were never seen again. The events circling this mass exodus have been one of the most baffling disappearances in history. Until now. A stack of bundled letters was found inside a tattered asylum mattress during the Emerson demolition. These letters, all addressed to the pseudonym Dr. Quill, were written by the patients as they documented the demise of the Emerson Rose Asylum. The patients innocently convey their dire pasts while the events occurring hint toward dark happenings outside their doors. Haunting, their words conjure feelings both grim and promising, as they secretly conjure a plan of mass exodus from the volatile institution. The names have been changed, but the stories have not. Though their identities are protected, the essence of these patients' challenges, triumphs, corruptions, salvations, and most of all, their human spirit, remains untouched. Their journey will become your journey as the patients chronicle their final months in these, Letters from the Looney Bin.

Editorial Review

Review

Weaves a creepy tale in the form of letters found from an abandoned insane asylum...a girl who smashes the head of a white coated orderly...a doctor who experiments on the inmates in unspeakable ways...patients dragged away in the middle of the night to have parts of their brains removed. The author does a great job at weaving the different characters together. The imagery is macabre and the chills are sublime. You are given a unique insight into the minds and perspectives of the condemned mental patients, and what brought them to the edge. Interesting book which reads very easily and enjoyably.

About the Author

Thatcher C. Nalley (born December 14, 1969) was raised as an only child and spent most of her life in Northern California, USA. Out of high school Thatcher spent 7 years active duty in the United States Army, which entailed traveling the world. Most recently she worked for a local Mental Health Crisis Unit center where clients were assessed during mentally unstable crisis situations. This included interacting with people of all ages who have a range of behavior disorders from depression to schizophrenia. Thatcher has also been a peer counselor and educator for the prevention and dynamics of child abuse trauma. A single mom of two beautiful girls Thatcher currently resides and writes in Northern California. For more information visit: www.THATCHERCNALLEY.COM
