Lippincott Q&A Review for NCLEX-RN (Lippincott's Review for Nclex-Rn) By Diane Billings, Desiree Hensel

Lippincott Q&A Review for NCLEX-RN, 12th edition is designed to help pre-licensure nursing students prepare to take the licensing examination. The title includes more than 6,000 questions reviewing the four major content areas of pre-licensure programs: obstetrics, pediatrics, medical-surgical, and mental health nursing. The textbook also includes six comprehensive examinations to provide students a realistic example of the NCLEX-RN test, in which items are randomized by subject area and difficulty. The questions align with the 2016 National Council of State Boards of Nursing (NCSBN) RN test plan and are written in the style used on the licensing examination. Other features include the use of all the types of alternate-format questions found on the licensing examination, detailed rationales for both correct and incorrect answers, information about the NCLEX-RN, study tips, and a "Content Mastery and Test-Taking Self Analysis" grid by which students can chart their own progress and modify study as needed.
