PrimeFaces Cookbook - Second Edition By Mert Çal??kan, Oleg Varaksin

Over 100 practical recipes to learn PrimeFaces 5.x – the most popular JSF component library on the planet

About This Book

- The updated second edition of the first PrimeFaces book ever released is brought to you straight from the horse's mouth, and focuses on practical implementations of the framework rather than theoretical ones
- With this book, you will get everything you need to know about PrimeFaces first-hand and will learn how to easily integrate and use PrimeFaces successfully with your JSF projects
- This book is written in a clear, comprehensible style and addresses a wide audience who set their scope on Java EE development

Who This Book Is For

This book is for everybody who would like to learn modern Java web development based on PrimeFaces and is looking for a quick introduction to this matter. Prerequisites for this book are basic JSF, jQuery, and CSS skills.

What You Will Learn

- Understand basic concepts such as AJAX processing and partial view submit so that you can work with PrimeFaces
- Go beyond the basics and discover more interesting features of PrimeFaces: PrimeFaces selectors, RequestContext, Dialog Framework, and more
- Delve deep into over 100 rich UI components with all the required details
- Get practical solutions to complex problems that arise in a JSF ecosystem
- Use best practices, avoid pitfalls, and get performance tips when working with the component suite

In Detail

PrimeFaces is the most popular component library used in the JSF ecosystem. It is a lightweight library with one JAR, zero configuration, and no required

dependencies.

This book covers over 100 effective recipes for PrimeFaces 5.2, which is a leading component suite to boost JSF-based applications. The book starts with an introduction to PrimeFaces and its concepts, such as AJAX processing, the selector mechanism, partial view submit, and i18n support. Later chapters then focus on theming and the usage of over 100 input and output components, such as tables, charts, menus, and so on.

This cookbook provides a solid foundation by covering all the knowledge needed to work with PrimeFaces components in the real world.

Editorial Review

About the Author

Mert Caliskan

Mert Caliskan is a software stylist living in Ankara, Turkey. He has more than 10 years of expertise in software development with the architectural design of Enterprise Java web applications. He is an advocate of open source for software projects such as PrimeFaces and has also been a committer and founder of various others. He is the coauthor of the first edition of this book. He is also the coauthor of Beginning Spring by Wiley Publications. He is the founder of AnkaraJUG, which is the most active JUG in Turkey that has been having monthly meetups for 3 years now. In 2014, he was entitled a Java Champion for his achievements. He is also a Sun Certified Java professional since 2007. He does part-time lecturing at Hacettepe University on enterprise web application architecture and web services. He shares his knowledge at national and international conferences, such as JDays 2015, JavaOne 2013, JDC2010, and JSFDays'08. You can reach Mert via twitter at @mertcal.

Oleg Varaksin

Oleg Varaksin is a senior software engineer living in the Black Forest, Germany. He is a graduate computer scientist who studied informatics at Russian and German universities. His main occupation and "daily bread" in the last 10 years has consisted of building various web applications based on JSP, JSF, CDI, Spring, web services, REST, jQuery, AngularJS, and HTML5. He has a deep understanding of web usability and accessibility. Oleg is an experienced JSF expert and has been working with the PrimeFaces library since its beginning in 2009. He is also a well-known member of the PrimeFaces community and a cocreator of the PrimeFaces Extensions project on additional JSF components for PrimeFaces. Besides the aforementioned technologies, he has worked as a frontend developer with many other web and JavaScript frameworks?Struts, GWT, Prototype, YUI library, and so on. He also implemented an AJAX framework before all the hype about AJAX began. Oleg normally shares the knowledge he has acquired on his blog at <http://ovaraksin.blogspot.de>.

Users Review

From reader reviews:

Patricia Jones:

Do you have something that you want such as book? The book lovers usually prefer to pick book like comic, limited story and the biggest one is novel. Now, why not hoping PrimeFaces Cookbook - Second Edition that give your entertainment preference will be satisfied simply by reading this book. Reading routine all over the world can be said as the means for people to know world a great deal better then how they react toward the world. It can't be explained constantly that reading practice only for the geeky individual but for all of you who wants to be success person. So , for all you who want to start examining as your good habit, you can

pick PrimeFaces Cookbook - Second Edition become your starter.

John Valdez:

Does one one of the book lovers? If so, do you ever feeling doubt if you are in the book store? Try and pick one book that you find out the inside because don't assess book by its handle may doesn't work the following is difficult job because you are scared that the inside maybe not as fantastic as in the outside look likes. Maybe you answer might be PrimeFaces Cookbook - Second Edition why because the fantastic cover that make you consider regarding the content will not disappoint you actually. The inside or content will be fantastic as the outside or maybe cover. Your reading 6th sense will directly direct you to pick up this book.

Philip Newman:

This PrimeFaces Cookbook - Second Edition is great reserve for you because the content and that is full of information for you who have always deal with world and also have to make decision every minute. This specific book reveal it data accurately using great organize word or we can say no rambling sentences inside. So if you are read it hurriedly you can have whole details in it. Doesn't mean it only offers you straight forward sentences but tough core information with attractive delivering sentences. Having PrimeFaces Cookbook - Second Edition in your hand like keeping the world in your arm, details in it is not ridiculous one particular. We can say that no e-book that offer you world throughout ten or fifteen tiny right but this reserve already do that. So , this is certainly good reading book. Hey there Mr. and Mrs. occupied do you still doubt that?

Christina Bishop:

With this era which is the greater man or woman or who has ability to do something more are more precious than other. Do you want to become one of it? It is just simple solution to have that. What you are related is just spending your time not much but quite enough to experience a look at some books. Among the books in the top listing in your reading list is definitely PrimeFaces Cookbook - Second Edition. This book and that is qualified as The Hungry Slopes can get you closer in turning into precious person. By looking upwards and review this reserve you can get many advantages.
