Editorial Review

Review

"This project provides an overview of the current state of digital forensic investigation of Facebook and other social media networks and the state of the law, touches on hacktivism, and discusses the implications for privacy and other controversial areas. The authors also point to future trends."-- *The Journal, Fall/Winter 2013*

"This book is very informative and it will serve well as a first point of contact for law enforcement personnel, especially those who have no understanding or very basic understanding of Social Media, and it is indeed an asset for any law enforcement library."? *Thane Pierre, Interfaces Magazine (The Chartered Society of Forensic Sciences)*

About the Author

Joshua L. Brunty is Assistant Professor of Digital Forensics at Marshall University . Josh holds numerous certifications within the digital forensics discipline including: AccessData Certified Examiner (ACE), Computer Hacking Forensic Examiner (CHFI), Seized Computer Evidence Recovery Specialist (SCERS), Certified Malware Investigator, Certified Steganography Examiner, and is certified by the National Security Agency in Information Assessment Methodology (NSA-IAM).
