## Stepbrother's Rules (Forbidden Firsts Book 1) By Mila Loveline

When your drunk stepbrother and his friend ask you to play a game in the middle of the night, what do you say? I said no.

But since tall, blond, surfer Adrian had moved in two years ago, he'd always had a way of getting me to do what he wanted. This time, though--what he wanted was more than I was ready to give.

I thought it would be a harmless night of cards and drinking. It turned out I was very wrong. While our parents slept down the hall, Adrian and Jack showed me that sometimes nothing feels more right than doing something so *wrong*.

*Stepbrother's Rules is a forbidden short story that can be read as a standalone. The entire series is available on Amazon & Kindle Unlimited. Intended for readers 18 & over. 7,500 words.*
