## **The Diloggún: The Orishas, Proverbs, Sacrifices, and Prohibitions of Cuban Santería** By Ócha'ni Lele, Ocha'ni Lele

The first book on Santería's holiest divination system to thoroughly explore each family of *odu* and how their actions and reactions affect the spiritual development of the client.

- Includes the major considerations for sacrifice, providing the diviner with ways to placate and supplicate the Afro-Cuban deities known as orishas.
- Demonstrates how to properly end a reading so that negative vibrations are fully removed from the diviner's home.
- Provides a thoroughly detailed description of each of the 12 families of *odu* that exist in the diloggún--from Okana through Ejila Shebora.

The diloggún is more than a tool of divination. It is a powerful transformational process, and the forces that are set in motion when it is cast determine the future evolution of the adherent. The *Diloggún* is the first book to explore this Afro-Cuban oracle from the perspective of diaspora orisha worship. It is also the first book to explore the lore surrounding this mysterious oracle, which is the living Bible of one of the world's fastest growing faiths.

The twelve families of *odu* that are available to the diviner include 192 *omo odu*, the children of the *odu*, and each of these patterns or letters has its own proverbs, meanings, prohibitions, and sacrifices. Ócha'ni Lele provides the secret but essential information that the adept diviner needs to know to ensure that every element affecting a client's spiritual development is taken into consideration during a reading. His book is also the first to detail how to properly end a session so that negative vibrations are absorbed by the orishas and fully removed from the diviner's home. For those seeking the wisdom of ancient Africa, *The Diloggún* is an indispensable guide to the mysteries of the orishas.

### Editorial Review

#### Review

"Stuart Meyers is to be congratulated and commended for producing this strikingly beautiful volume."

(*Edward Batchelor, Jr., Yale University, November 2003*)

"Every nook, cranny and crack of Santería is covered, explained, demonstrated and laid out in clear, simple terms." (*Vision Magazine, April 2004*)

"*The Diloggún* is an indispensable guide to the mysteries of the orshas." (*SirReadaLot.org, March 2004*)

"In this new book Ócha'ni Lele has brought together information never before published for the education of serious students of divination, and for use by initiated practitioners of African traditional religions, especially those who follow La Regla de Ocha. In doing so, he has more than justified his own claim that 'one cannot overstate the academic and scholastic value' of this work." (*Edward Batchelor, Jr., Fellow in Religion, Yale University*)

"The sheer amount of information contained within the covers of this book is astounding. I have never seen a book which explains this type of divination in anything like this amount of detail." (*Mike Gleason, Witchgrove.org, April 2007*)

"The first important work to document the art of Diloggún reading thoroughly in English." (*Eric Lerner, Oya N'Soro: Oya Speaks!, October 2003, Vol. 1 Edition 2*)

"The effort that went into writing this book is only exceeded by the expertise required to write it. Ócha'ni Lele has produced a highly significant addition to the body of lore on Lucumé/Santería that is valuable for its comprehensive insights and its value to prosperity in the religious tradition. Kudos to the editors and publisher of this book for accepting such a massive undertaking. Well done!" (*Elizabeth Hazel, FacingNort.net, September 2011*)

#### From the Inside Flap

#### DIVINATION / INDIGENOUS CULTURES

"In this new book Ócha'ni Lele has brought together information never before published for the education of serious students of divination, and for use by initiated practitioners of African traditional religions, especially those who follow La Regla de Ocha. In doing so, he has more than justified his own claim that 'one cannot overstate the academic and scholastic value' of this work."

--Edward Batchelor, Jr., Fellow in Religion, Yale University

The diloggún, the cowrie-shell oracle of Cuban Santería, is more than a tool of divination. It is the doorway to a powerful transformational process, and the forces that are set in motion when it is cast determine the future evolution of the adherent. *The Diloggún* explores this mysterious Afro-Cuban oracle from the perspective of diaspora orisha worship and includes a thorough exploration of the body of lore surrounding the oracle, which is the living Bible of one of the world's fastest growing faiths.

Ócha'ni Lele provides a detailed description of each of the twelve families of *odu* that exist in the diloggún--

from Okana through Ejila Shebora. Within these twelve families are 192 *omo odu*, the children of the odu, and each of these patterns or letters has its own lore, proverbs, meanings, prohibitions, and sacrifices, which Lele details as well. He is the first to provide the hitherto secret, but essential, information that the adept diviner needs to have in order to ensure that every element affecting a client's spiritual development is taken into account during a reading. He includes all the major indications for sacrifice, *ebó*, providing the diviner with numerous ways to placate and supplicate the Afro-Cuban deities known as *orishas*. His book is also the first to detail how to properly end a session so that negative vibrations are absorbed by the *orishas* and fully removed from the diviner's home. For those seeking the wisdom of ancient Africa, *The Diloggún* is an indispensable guide to the mysteries of the *orishas*.

ÓCHA'NI LELE has been immersed in the underground culture of *orisha* worship since 1989. He made Ocha in 2000 and was crowned a priest of Oyá. His other books include *The Secrets of Afro-Cuban Divination* and *Obí: Oracle of Cuban Santería*. He lives in Florida.

#### About the Author

Ócha'ni Lele has been immersed in the underground culture of *orisha* worship since 1989. He made Ocha in 2000 and was crowned a priest of Oya. His other books include *The Secrets of Afro-Cuban Divination* and *Obí: Oracle of Cuban Santería*. He lives in Florida.

### Users Review

#### From reader reviews:

##### **Benjamin French:**

In this 21st one hundred year, people become competitive in every way. By being competitive today, people have do something to make all of them survives, being in the middle of typically the crowded place and notice by means of surrounding. One thing that occasionally many people have underestimated that for a while is reading. That's why, by reading a publication your ability to survive boost then having chance to remain than other is high. To suit your needs who want to start reading a new book, we give you that *The Diloggún: The Orishas, Proverbs, Sacrifices, and Prohibitions of Cuban Santería* book as starter and daily reading e-book. Why, because this book is greater than just a book.

##### **Sharron Marty:**

Now a day those who Living in the era where everything reachable by talk with the internet and the resources inside can be true or not demand people to be aware of each details they get. How many people to be smart in having any information nowadays? Of course the answer then is reading a book. Reading through a book can help people out of this uncertainty Information especially this *The Diloggún: The Orishas, Proverbs, Sacrifices, and Prohibitions of Cuban Santería* book since this book offers you rich information and knowledge. Of course the information in this book hundred per cent guarantees there is no doubt in it you probably know this.

##### **Paul Day:**

Nowadays reading books are more than want or need but also be a life style. This reading behavior give you lot of advantages. The advantages you got of course the knowledge the actual information inside the book in

which improve your knowledge and information. The data you get based on what kind of reserve you read, if you want send more knowledge just go with education books but if you want feel happy read one using theme for entertaining for example comic or novel. The The Diloggún: The Orishas, Proverbs, Sacrifices, and Prohibitions of Cuban Santería is kind of e-book which is giving the reader capricious experience.

**Sandra Williams:**

Why? Because this The Diloggún: The Orishas, Proverbs, Sacrifices, and Prohibitions of Cuban Santería is an unordinary book that the inside of the guide waiting for you to snap the item but latter it will shock you with the secret the item inside. Reading this book beside it was fantastic author who also write the book in such awesome way makes the content interior easier to understand, entertaining way but still convey the meaning totally. So , it is good for you for not hesitating having this ever again or you going to regret it. This excellent book will give you a lot of positive aspects than the other book include such as help improving your talent and your critical thinking technique. So , still want to hold up having that book? If I were you I will go to the book store hurriedly.
