The Skystone: The Dream of Eagles Vol. 1 (Camulod Chronicles) By Jack Whyte

Everyone knows the story-how Arthur pulled the sword from the stone, how Camelot came to be, and about the power struggles that ultimately destroyed Arthur's dreams. But what of the time before Arthur and the forces that created him?

How did the legend really come to pass?

Before the time of Arthur and his Camelot, Britain was a dark and deadly place, savaged by warring factions of Picts, Celts, and invading Saxons. The Roman citizens who had lived there for generations were suddenly faced with a deadly choice: Should they leave and take up residence in a corrupt Roman world that was utterly foreign, or should they stay and face the madness that would ensue when Britain's last bastion of safety for the civilized, the Roman legions, left?

For two Romans, Publius Varrus and his friend Caius Britannicus, there can be only one answer. They will stay, to preserve what is best of Roman life, and will create a new culture out of the wreckage. In doing so, they will unknowingly plant the seeds of legend-for these two men are Arthur's great-grandfathers, and their actions will shape a nation . . . and forge a sword known as Excalibur.

Editorial Review

From Library Journal

During the days of the decaying Roman Empire, the legions of Britain struggle to preserve the ancient principles of loyalty and discipline-virtues embodied in the Roman general Caius Britannicus and his friend Publius Varrus, an ex-soldier turned ironsmith. Whyte re-creates the turbulence and uncertainty that marked fifth-century Britain and provides a possible origin for one of the greatest artifacts of Arthurian myth-the legendary sword Excalibur. Strong characters and fastidious attention to detail make this a good choice for most libraries and a sure draw for fans of the Arthurian cycle.

Review

"From the building blocks of history and the mortar of reality, Jack Whyte has built Arthur's world, and showed us the bone beneath the flesh of legend." ?*Diana Gabaldon*

"Jack Whyte is a master storyteller Wyte breathes life into the Arthurian myths by weaving the reality of history into them." ?*Tony Hillerman*

"I loved the book. It was an extraordinary story, totally original and clearly there is a lot more excitement to come in the upcoming volumes." ?*Rosamunde Pilcher*
