Welcome to the Monkey House: The Special Edition: Stories By Kurt Vonnegut

Since its original publication in 1968, *Welcome to the Monkey House* has been one of Kurt Vonnegut's most beloved works. This special edition celebrates a true master of the short-story form by including multiple variant drafts of what would eventually be the title story. In a fascinating accompanying essay, "Building the Monkey House: At Kurt Vonnegut's Writing Table," noted Vonnegut scholar Gregory D. Sumner walks readers through Vonnegut's process as the author struggles—false start after false start—to hit upon what would be one of his greatest stories. The result is the rare chance to watch a great writer hone his craft in real time.

Praise for Kurt Vonnegut

"Kurt Vonnegut is, in my view, the great, urgent passionate American writer of our century."—**George Saunders**

"Vonnegut's fiction itches to seize the human truth by its large handles."—**John Updike**

From the Trade Paperback edition.

Editorial Review

Review

Praise for Kurt Vonnegut

“Kurt Vonnegut is, in my view, the great, urgent passionate American writer of our century.”—**George Saunders**

“Vonnegut’s fiction itches to seize the human truth by its large handles.”—**John Updike**

About the Author

Kurt Vonnegut’s black humor, satiric voice, and incomparable imagination first captured America’s attention in *The Sirens of Titan* in 1959 and established him as “a true artist” (*The New York Times*) with *Cat’s Cradle* in 1963. He was, as Graham Greene declared, “one of the best living American writers.” Mr. Vonnegut passed away in April 2007.

Users Review

From reader reviews:

Brooke Jenkins:

What do you think about book? It is just for students since they're still students or this for all people in the world, the particular best subject for that? Just you can be answered for that issue above. Every person has diverse personality and hobby for each and every other. Don't to be obligated someone or something that they don't would like do that. You must know how great along with important the book Welcome to the Monkey House: The Special Edition: Stories. All type of book is it possible to see on many options. You can look for the internet options or other social media.

Marlin Peterson:

In this 21st one hundred year, people become competitive in each and every way. By being competitive now, people have do something to make these individuals survives, being in the middle of the particular crowded place and notice by simply surrounding. One thing that occasionally many people have underestimated it for a while is reading. That's why, by reading a reserve your ability to survive boost then having chance to stand up than other is high. For yourself who want to start reading a new book, we give you this Welcome to the Monkey House: The Special Edition: Stories book as basic and daily reading publication. Why, because this book is greater than just a book.

Salvatore Anthony:

Many people spending their period by playing outside having friends, fun activity using family or just watching TV all day every day. You can have new activity to pay your whole day by reading through a book.
