**Zayn** By Zayn

**The first and only official book from ZAYN. Global superstar ZAYN shares a photographic journey of his life since leaving One Direction.**

**"This book is my diary of a period that I would like to share with you all. I hope that there are things in the book that contextualise some of the moments and memories we have all shared together. There are things I address in the book that are very personal to me, things that I have never told anyone, things I still find hard to talk about. It's a part of a journey I'm still on."—ZAYN**

**The Instant *New York Times* Bestseller!**

ZAYN opens up with this collection of thoughts, inspiration, and never-before-seen personal photographs. After five years of massive success with One Direction, ZAYN launched his career as a solo artist with *Mind of Mine*, becoming one of the most successful artists in the world. Now, for the first time ever, ZAYN is going to tell and show all in this intimate and raw scrapbook of his life. Never-before-released photos give readers insight to ZAYN, no-holds-barred. Gorgeously designed with hundreds of full-color photographs and ZAYN's notes, drawings, song lyrics, and personal stories, the book captures ZAYN's most private moments and his candid feelings on fame, success, music, and life. The next chapter of ZAYN's evolution into global superstar, told by the artist who is living it.
